

Quality Policy

Avondale is a family run business trading for over 35 years within the UK Construction Industry. We strive to be the number one choice for Construction Logistics within London and the UK.

Our business is committed to conducting our operations in a planned systematic way to ensure the Quality of our products and Services.

We believe that all activities we perform should be planned and executed in a sensibly compliant manner.

Our current Quality Objectives are:

1. Improving Operational Efficiency (Using an Integrated Management System, Culture Change and enforcement)
2. Increase Customer Satisfaction (by effective client communications and robust feedback Routes)

Our policy is to:

- Encourage our supply chain and customers to adopt robust processes and procedures to deliver a quality product
- To effectively manage our processes and procedures to ensure efficient, cost effective working practices to our customers
- Adopt best practices within the industry
- Ensure through training that our staff are compliant and understand the needs of the business and the management system
- To comply with all current Legislation
